

FREE COMMUNITY RESTORATION LEADERS PROGRAMME

FREE TRAINING

Do you want to gain experience managing planting days as a paid job, volunteer co-ordinator or to start your own planting project?

Participants will gain skills in:

- Site Preparation
- Hosting (zero waste) events
- Native plant identification
- Promotion
- Health & Safety

Kaipatiki Project, is the Environment Centre of the North Shore.

We are offering FREE hands-on training at a series of community planting days at Eskdale Reserve, and Upper Harbour ecological network.

FREE TRAINING DAYS

We have organised 6 planting days from 17 June - October
All training takes place on Saturdays from 8.00am to 2.00pm.

Attendance at all events is required.

To Register go to :
