

Date 14th August 2017

IMPORTANT NOTICE

Dear Resident,

Re: Sewer Rising Main De Havilland Road to Hobsonville Point Road

There is work required to upgrade the Hobsonville Rising Main and Pump Station PS04

- The reason this is needed is because the number of dwellings now being built in the Catalina Precinct exceeds the original design parameters.
- The work will be completed over a five-month period, weather permitting. The start date will be 18th August 2017
- Work hours will be 7am to 6pm, Monday to Friday. 7am to 2:30pm, Saturday. 7am to 7:30am only set up will be carried out and no physical works.
- Initial works will be to locate services on Hobsonville Point Road and De Havilland Road.
- Works sequence is shown on the sketches over the page:
 - First drill shot Hobsonville Point Road
 - Second drill shot De Havilland Road
 - Connections at:
 - o 152 Hobsonville Point Rd,
 - o The intersection of Hobsonville Point Road and De Havilland Road
 - o Corner of Wallace Road and De Havilland Road.
- As the home owner or tenant, you won't be required to do anything, other than be aware of the safety hazards which will be present while we complete the works.
- There will be traffic control in place, please obey all traffic safety signs for your safety and the safety of our workforce.

We apologise for any inconvenience this may cause. Please feel free to contact Pipeline and Civil or AVJennings if you have any questions:

- Pipeline And Civil Limited: Geoff Crozier 022 398 8485 gcrozier@pipelinecivil.co.nz
