

Hobsonville Community Fund.

*"We make a living by what we get,
we make a life by what we give."* Sir Winston Churchill (1874 – 1965)

What will the Hobsonville Community Fund do?

Hobsonville is a great place to live.

However, there are always things we can do to make it better.

The Hobsonville Community Fund is a permanent pool of funds established to benefit and strengthen the community of Hobsonville for present and future generations.

How does the fund work?

Anyone can make a tax-deductible donation to the Fund.

The endowment is invested and managed by independent experts as part of a pooled fund. The income earned from the annual interest becomes available for distribution into the community for charitable purposes.

An Advisory Committee assists with advancing the purposes of the Fund and the distribution of the income to support causes in Hobsonville.

Auckland Foundation takes care of all the legal, financial and administrative responsibilities associated with a charitable foundation, providing continuity and professional management over generations.

Who gives to the Fund?

People who want to make a positive difference in their community by leaving a legacy, of any size, that gives both now and long into the future.

Auckland Foundation, your community foundation.

Auckland Foundation is your community foundation - a not for profit organisation working with donors to build a permanent pool of funds for a better Auckland.

We believe that flexible giving leads to more effective support for the community and has more positive impact for the causes that matter the most.

Community Foundations are a 100-year-old worldwide movement and the fastest growing form of philanthropy globally.

Currently there are over 1,800 around the world, and they are the giving option of choice for both big donors like Facebook's Mark Zuckerberg, through to the humble guy next door.

The popularity of community foundations is due to their simplicity, and commitment to donor's wishes. We take care of compliance and administrative matters, investment and governance. Donors can be as involved as they want to be, with many delighting in focusing on the giving and the benefits their gift will bring.
